Continuation Sheet (PTO-303)

Application No. 110/052,230

Continuation of 2. NOTE: New consideration is raised as to whether or not the proposed amended claims are commensurate with any showing of unexpected results made in the the newly submitted declaration, Paper No. 11..

Continuation of 5. does NOT place the application in condition for allowance because: The polymers of comparative example are identified only by trademark and their charge by relative terms such as "low" There is no evidence that they are similar to and representative of the prior ar polymerst.
